Reward your WILD one's hard work this school year with a free visit to the Amarillo Zoo! Throughout the month of June the Zoo will be offering FREE admission for students who received 2 or more "A's" on their final report card of the school year. If your child's school does not offer letter grades, we will accept the highest grade your school awards. Students must bring their original report card to the Zoo's admission booth to receive the discount, copies will not be accepted. Free admission is just for the child, general admission applies to all others.
